Mains Exclusive Batches for ESE-2017

for Conventional Questions Practice Programme

+

Mains Classroom Test Series

(8 Part Syllabus Tests + 4 Full Syllabus Tests = Total 12 Tests)

Conventional Questions Practice batches are specially designed for ESE-2017, Mains examination. These batches are very useful to improve conventional answer writing abilities. Probable conventional questions will be discussed in the classes by senior faculties. These batches will help candidates to develop step by step approach towards numerical questions. Special emphasis will be given on how to present theory and numerical answers. These batches are supplemented by well designed test series for ESE-2017 mains examination.
